INHERENT RISKS AND NATURE OF THE HORSE WARNING Horseback riding and horse driving is classified as RUGGED ADVENTURE RECREATIONAL SPORT ACTIVITY, and there are numerous obvious and non-obvious inherent risks always present in such activity despite all safety precautions. No horse is a completely safe horse. Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from horse to ground it will generally be at a distance from 3 1/2 feet to 5 1/2 feet, and the impact may result in injury to the rider. Horseback riding/horse driving is the only sport where one much smaller, weaker predator animal, the human, tries to control and become one unit of movement with another much larger, stronger prey animal, the horse, with each having a limited understanding of the other. If a horse is frightened or provoked it may divert from its training and act according to its natural survival instincts which may include but are not limited to: stopping short; changing direction or speed at will; shifting its weight from side to side, bucking, rearing, biting, kicking, or running from danger.

RIDING HELMET WARNING OWNER is hereby warned by this TRAINER that all horse handlers should consider wearing properly fitted and secured protective headgear (equestrian riding helmet), and that wearing of such headgear while mounting, riding, dismounting and being around horses, may prevent or reduce severity of some head injuries and may prevent death happening as a result of a fall or other occurrence.

AGREEMENT SCOPE AND TERRITORY This agreement shall be legally binding upon the TRAINER and the GUEST and GUEST'S parents or legal guardians, should GUEST be a minor, when signed by both parties. This agreement is entered into the state of California, state of domicile of the TRAINER, and will be interpreted and enforced under the laws of this state. If any clause, phrase, or word is in conflict with State Law then that single part is null and void.

By signing this agreement I understand and accept responsibility for all risks and give permission for myself _____ and horse _____ to be a guest or participate in Roberto Flores Horsemanship training, under Roberto Flores, and programs without restrictions. I release Roberto Flores Horsemanship, Roberto Flores, and all its employees from any and all claims on account of any injury which may arise from participation at the STABLE or outside event. I acknowledge that I have read and understand all of Roberto Flores Horsemanship Guest/Participant Agreement. I authorize any representative of Roberto Flores to obtain any medical treatment that may be deemed necessary. I further give permission for any photos or videos taken during sessions may be used for promotional purposes for Roberto Flores Horsemanship. I have read this waiver fully and understand its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily and intend my signature to be complete and unconditional release of all liability to the greatest extent allowed by law.
